

Mobile Phone Data Transfer Suite

Phone Book Manager

Manage all your data in one central location. With just a click you can transfer all your contacts from your mobile phone, Outlook, Outlook Express and Palm Desktop. Back up all your information onto your PC. The perfect solution in case you lose, break or upgrade your phone.

Ringtone Composer

You can download ring tones from the internet and transfer it to your mobile phone. Create your own original ring tones and upload them to your mobile phone.

Image Editor

Personalize your mobile phone with your favorite pictures. Upload to your phone in seconds. Also, download your photos or videos from your mobile phone to your computer.

Calendar

You can easily transfer your calendar from Outlook to your mobile phone to organize your schedule while away from the office.

Supported Phones - Canada
